The serum will give you +5 STR+50 Damage Resistance-10 Radiation per second (lasts 3600 seconds)The serum will essentially make you resistant to radiation for 3600 seconds and also make you pretty strong.. Well here are the results of both decisions Should I Free Lorenzo CabotIf you free Lorenzo you will get an infinite supply of the serum.. You can only have one at a time, but if you keep going back to Lorenzo, he will continue to give you more of the serum.

If you don't have much need for the serum then this is the option you should go for when faced with the decision to kill or free Lorenzo Cabot.. Based on the way this quest has gone so far, I feel like it might be worth my while to decide carefully.. Although one can actually fail in preventing the raiders from freeing Lorenzo, the Sole Survivor still has to kill them all once Lorenzo is released.. When returning to the Cabot House after saving Jack's sister, the Sole Survivor will get this mission assigned by Jack to help prevent raiders from freeing Lorenzo.. I picked up the side quest "The Secret of Cabot House" and I have found it really interesting.
