**AMOS Y MAZMORRAS III y IV:  
En los Reinos Olvidados**

Desde que el agente de la SVR Markus Lébedev y la agente del FBI Leslie Connelly se encontraron en las Islas Vírgenes en la misión de **Amos y Mazmorras**, una cosa quedó patente: la tensión sexual y el deseo les iba a matar. Ahora deberán trabajar juntos para llegar hasta la raíz de las bandas rusas de trata de blancas. Su nueva misión en los Reinos Olvidados pondrá en riesgo su profesionalidad, su conciencia y los valores de cada uno, en un caso, dividido en dos partes, en el que arriesgar el corazón puede suponer perderlo para siempre. El Demonio y la bruja tienen un pacto, pero ¿podrán cumplirlo a raja tabla?

Lena Valenti vuelve a sorprender y a enganchar con un increíble cóctel lleno de erotismo, amor, humor, originalidad y giros impensados y maquiavélicos, llenos de reencuentros y escenas que quitan la respiración. Markus y Leslie harán las delicias de los lectores más exigentes en una historia de opuestos en la que la violencia y la realidad más vil se contraponen a la ternura y a la compasión, que no vienen exentas de lecciones aplastantes.
